TO EXPLODE AMMUNITION IN BUDAPEST

Magyar Nemzet
Budapest, 5 Aug 1953

The ammunition collected in the course of clearing the city of Budapest of [unexploded World War II?] ammunition will be demolished and exploded. Demolition will occur every Thursday at 1300 hours in the XVIII district, in the area bounded by the country road leading from the meteorological station to the railroad; the railroad; 614 utca, which starts at Fiume utca; and the unnamed street which connects 614 utca with the aforementioned country road.
